

ANTIXX PLUS

For outdoor use only

- Spinosad is derived from a naturally occurring soil dwelling bacterium.
- Remains effective for up to 4 weeks.
- People and pets can enter the area after product is applied.
- Listed by the Organic Materials Review Institute (OMRI).

KILLS: Ants including foraging ants, sweet-feeding ants, pavement ants, moisture ants, little black ants, argentine ants, crazy ants, acrobat ants, bigheaded ants, cornfield ants, ghost ants, odorous house ants, thief ants, Texas leafcutting ants, field ants, and other common ants (excluding fire ants, harvester ants, Pharaoh ants and carpenter ants), earwigs, cutworms, sowbugs, pillbugs, crickets, slugs, snails

USE SITES: Residential yards and gardens, Lawns, Golf courses, Residential and Commercial landscaping, Hotel and motel landscaping, Parks, Athletic fields, Perimeter treatments of commercial, and industrial buildings.

Active Ingredient:

Iron Phosphate.....	0.97%
Spinosad (a mixture of spinosyn A and spinosyn D).....	0.07%
Other Ingredients:	98.96%
Total:	100.00%

EPA Reg. No. 67702-24 EPA Est. No. 48498-CA-2

NET WEIGHT: 25 LBS

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information concerning this product, call the poison control center 1-800-222-1222

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Caution. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

PERSONAL PROTECTIVE EQUIPMENT (PPE) REQUIREMENTS:

Applicators and other handlers must wear: long-sleeved shirts and long pants; and shoes plus socks. Follow manufacturer's instructions for maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations

- Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for use on plants being grown for sale or other commercial use, or for commercial seed production, or for research purposes. For use on plants intended for aesthetic purposes or climate modification and being grown in ornamental gardens, parks, or lawns or grounds. Not for use on sod farms, nurseries, in commercial greenhouses or on grass grown for seed.

ANTIXX PLUS is a patented, dual-active, ready-to-use product for use in controlling listed insects, slugs and snails outdoors. This product contains spinosad and iron phosphate. Spinosad is derived from a soil bacteria and kills insects by both contact and ingestion. Spinosad has a unique mode of action that excites the insect nervous system, which leads to involuntary muscle contractions, tremors, and finally paralysis and death. Slugs and snails are very sensitive to iron; the iron phosphate causes cellular damage to the gastrointestinal tract which causes them to cease feeding and die within a few days.

Reapply as the bait is consumed or at least every 2-4 weeks. Do not apply more than 3 times in any 30 day period. Do not place in piles.

Outdoor Applications:

Broadcast: Apply 0.23 to 1 lb. per 1000 square feet (equivalent to 10-44 lbs. per acre or 1 level teaspoon per square yard) with a hand or power operated broadcast, granular or drop spreader (gravity or rotary). Use the higher rate for heavy infestations or if the area is heavily watered or after long periods of heavy rain.

Perimeter: Apply evenly at a rate of 0.4-1.6 oz (2.9 – 11.5 teaspoons) per 100 linear feet in a band 1-3 feet wide around building foundations, driveways, sidewalks or other areas where insects are present. Treat visible ant trails with approximately 0.3-0.9 oz (2.2-6.5 teaspoons) of product, depending on the number of ants in the trail.

Individual Ant Colony Treatment: Apply 1.4-1.9 oz (3.36-4.55 tablespoons) of product around the perimeter of each mound.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Completely empty metal drum, plastic bag, box plastic jug, or plastic tote into application equipment. Then dispose of the empty metal drum, plastic bag, plastic jug, box or plastic tote by incineration, or by offering for recycling if available, or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

BATCH CODE:

WARRANTY

To the extent consistent with applicable law, seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label only when used in accordance with directions under normal use conditions. To the extent consistent with applicable law, this warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. To the extent consistent with applicable law, seller makes no other warranties, either expressed or implied.
